Gallatin Valley Newcomers Club (“GVNC”) is a nonprofit social club with more than 300 members that has existed for over twenty years. We welcome those new to the Gallatin Valley and those who are no longer “newcomers.”

Each December, GVNC holds an annual charity auction. The preceding September, our membership selects grant recipient(s) from those eligible organizations that have applied. The selected organization(s) will be notified by the end of September. This year’s event will take place on December 3rd. Proceeds from this year’s auction will be distributed in early February 2021. Over the past 5 years, we have donated over \$100,000 to local charities.

This year we are implementing a few new eligibility requirements in order to ensure that GVNC’s donations have maximum impact.

1. Organizations must be a 501(c)(3) non-profit in good standing;
2. Organizations may not have received funds from GVNC annual auction in any of the previous five years;
3. Organizations’ average annual gross income for the last three years may not exceed \$300,000;
4. Funds received from GVNC must be spent in Gallatin County; and
5. An organization selected as a recipient of GVNC’s annual auction funds will agree to provide a letter by November 30, 2021 explaining how GVNC funds were used.

If you believe your organization is eligible and could benefit from this grant opportunity, please submit the Charity Grant Application found on this website. Please complete all questions in order to be considered for a grant. Applications are due by June 1, 2020. Completed applications should be submitted through the website.

Please don’t hesitate to contact me if you have any questions. We look forward to working with you and furthering your cause.

Sincerely,
Karol Pollock
